## III. RECOMMENDATION OF THE FIFTH COMMITTEE

6. The Fifth Committee recommends to the General Assembly the adoption of the following draft resolution:

### Financing of the United Nations Angola Verification Mission

The General Assembly,

Having considered the note by the Secretary-General on the financing of the United Nations Angola Verification Mission 1/ and the related report of the Advisory Committee on Administrative and Budgetary Questions, 2/

Bearing in mind Security Council resolutions 626 (1988) of 20 December 1988, by which the Council established the United Nations Angola Verification Mission, resolution 696 (1991) of 30 May 1991 by which the Council decided to entrust a new mandate to the United Nations Angola Verification Mission (henceforth known as United Nations Angola Verification Mission II) and resolution 747 (1992) of 24 March 1992, by which the Council decided to enlarge the mandate to include an Electoral Division for the purpose of observing and verifying the Angolan electoral process for the remainder of its existing mandate period until 31 October 1992,

Reaffirming that the costs of the Verification Mission are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recalling its previous decisions regarding the fact that, in order to meet the expenditures caused by the Verification Mission, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

---

1/ A/46/934/Add.1.

5.
